

1 Introduction

- 1.1 As a charity and company limited by guarantee, The Griffin Schools Trust (the “Company”) is governed by a Board of Directors (the “Directors”) who are responsible for, and oversee, the management and administration of the Company and the academies (the “Schools”) run by the Company.
- 1.2 The Directors are accountable to the Charity Commission and the Department for Education (including any successor bodies) for the quality of the education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.
- 1.3 In order to discharge these responsibilities, the Directors appoint people who are more locally based to serve on a board (the “Local Governing Body or Local Governing Board”) which has been established to ensure the good governance of the school. The Local Governing Body or Local Governing Board shall be the “Advisory Body” for the school as required by the Master Funding Agreement entered into between the Company and the Secretary of State for Education (the “Secretary of State”) governing the affairs of the Company (the “Master Funding Agreement”). The Local Governing Body or Local Governing Board shall be referred to throughout this document as the Local Governance Committee.
- 1.4 This Scheme of Delegation explains the ways in which the Directors fulfil their responsibilities for the leadership and management of the schools within the Trust, the respective roles and responsibilities of the Directors and the members of the Local Governance Committee and the commitments to each other to ensure the success of each school.
- 1.5 This Scheme of Delegation has been put in place by the Directors in accordance with the provisions of the Company’s Articles of Association (the “Articles”) and it should be read in conjunction with those Articles. References in this Scheme to numbered Articles are to the relevant clause of the Articles.

2 Ethos and Mission Statement

- 2.1 The Trust’s mission is for all of its schools to become great with proud traditions, wide horizons and high achievement, and to be part of a family of schools known for elite performance in many areas, with no social or academic selection.

3 Directors’ Powers and Responsibilities

- 3.1 The Directors have overall responsibility and ultimate decision making authority for all the work of the Company, including the establishing and running of schools. This is largely, but not exclusively, exercised through strategic planning and the setting of policy. It is managed through business planning, monitoring of budgets, performance management, the setting of standards and the implementation of quality management processes. The Directors have the power to direct change where required.

- 3.2 The Directors have a duty to act in the fulfilment of the Company's objects.
- 3.3 Directors will have regard to the interests of all schools for which the Company is responsible, in deciding and implementing any policy or exercising any authority.
- 3.4 Article 100 provides for the appointment by the Directors of committees to whom the Directors may delegate certain of the functions of the Directors. Responsibility for the running of the schools will be delegated to the committees established by this Scheme of Delegation and which shall be known as either the Local Governing Body or Local Governing Board, dependent on which model the Directors choose for each location.
- 3.5 The constitution, membership and proceedings of the Local Governing Body and Local Governing Board is determined by the Directors and this Scheme of Delegation expresses such matters as well as acknowledges the authority delegated to these committees in order to enable them to run the school and fulfil the schools mission.

4 Constitution of the Local Governing Body or Local Governing Board

- 4.1 A Local Governing Body will be constituted when a school is located outside of a hub of Griffin Schools Trust schools. This committee will serve a single school. A Local Governing Board will be implemented when a hub of Griffin Schools Trust schools exists. This committee will serve a group or hub of schools. A hub of schools is not limited in number nor in geographical distance but will be determined by the Company.

In certain circumstances, where a school has recently joined the Trust or in a hub which has more than one new Head appointed in the same school, the Trust may constitute a School Improvement Board to replace the Local Governing Body or Board for a period of time in order to speed the school or school leaders' understanding of the GST mission and the key school improvement tools which lie at the heart of it.

4.2 Membership of Local Governing Board

- 4.2.1 The number of people who shall sit on the Local Governing Board shall be not less than five but no more than fifteen.
- 4.2.2 The Local Governing Board shall have the following members:
- Up to eight members appointed by the Directors, to include representation from the community and staff cohort
 - The substantive Heads of all schools within the hub. Where an Executive Head is in place, they will have membership to the Local Governing Board, not the Head of School
 - Each school within the hub will be entitled to appoint one parent member.
- 4.2.3 All persons appointed or elected to the Local Governing Board shall give a written undertaking to the Directors to uphold the object of the Company.

4.3 Membership of Local Governing Body

- 4.3.1 The number of people who shall sit on the Local Governing Body shall be not less than three but no more than eight.
- 4.3.2 The Local Governing Body shall have the following members:
- Up to six members appointed by the Directors, to include representation from the community and staff cohort
 - The substantive Head of the school
 - Two parent members.
- 4.3.3 All persons appointed or elected to the Local Governing Body shall give a written undertaking to the Directors to uphold the object of the Company.
- 4.3.4 No fewer than three and no more than five will serve on the School Improvement Board which will consist of GST officers, supplemented by local governors where appropriate. All local governors are invited to offer their continued services whilst the SIB is in place and the Chair will make the appointments according to the needs of the school or hub. The SIB will be chaired by a senior officer of the Trust.

4.4 Appointment of Members of the Local Governance Committee

- 4.4.1 The Directors will appoint members to serve on the Local Governance Committee, having regard to any recommendations and views of the Local Governance Committee, in relation to ensuring that the people serving have an appropriate range of skills and experience and due attention is given to succession planning. The Trust will ensure that the Local Governance Committee is competency led and will ensure that the skills within the Committee are sufficient to ensure the effective management of Local Governance.
- 4.4.2 Staff representation (including the Head) of the Local Governance Committee cannot exceed half of the total number of persons.
- 4.4.3 The Executive Head or Head shall be treated for all purposes as being an ex officio member of the Local Governance Committee.
- 4.4.4 Where a vacancy for a parent member of the Local Governing Committee arises, all parents of registered pupils at the school or schools will be invited to apply to fill the position. Each parent wishing to stand as a candidate will be asked to complete an application form, as any other governor would. The statements and skills review within these forms will then be made available to parents to assist them in their voting choices.
- 4.4.5 The Local Governing Body shall take all reasonable steps to ensure that every person who is known to them to be a parent of a registered pupil is informed of the vacancy and invited to stand as a candidate. The Local Governance Committee will also take all reasonable steps to ensure all parents are aware of their entitlement to vote in the election.

4.4.6 The Local Governance Committee shall make all necessary arrangements for an election of the parent members. Any election of persons who are to be the parent members which is contested shall be held by secret ballot. The arrangements made for the election of the parent members shall provide for every person who is entitled to vote in the election to have an opportunity to do so by post or by returning their ballot to school by a registered pupil at the Academy.

4.4.7 The number of parent members shall be made up by persons appointed by the Trust if the number of parents standing for election is less than the number of vacancies. In appointing a person to be a parent member, the Trust shall appoint a person who is the parent of a registered GST pupil or where it is not reasonably practical to do so, a person who is the parent of a child of compulsory school age.

4.5 Term of Office

4.5.1 The term of office for any person serving on the Local Governance Committee shall be three years, save that this time limit shall not apply to the Head or Executive Head. Subject to remaining eligible to be a particular type of member, any person may be re-appointed to the Local Governance Committee.

4.6 Resignation and Removal

4.6.1 A person serving on the Local Governance Committee shall cease to hold office if they resign office by notice (but only if at least three persons will remain in office when the notice of resignation is to take effect).

4.6.2 A person serving on the Local Governance Committee shall cease to hold office if they are removed by the person or persons who appointed them. Whilst at the same time as acknowledging that no reasons need to be given for the removal of a person who serves by a person or persons who appointed them, any failure to uphold the values of the Company or to act in a way which is appropriate in light of this Scheme of Delegation will be taken into account. A person serving on the Local Governance Committee can also be removed for a variety of reasons, including the requirement for the Local Governance Committee to include new skills to ensure its effectiveness, for which new members are required.

4.7 Disqualification

4.7.1 No person shall be qualified to serve unless they are aged 18 or over at the date of election or appointment. No current pupil within the Griffin Schools Trust shall be entitled to serve on the Local Governance Committee.

4.7.2 A person shall cease to hold office if they become incapable by reason of mental disorder, illness or injury of managing or administering their own affairs.

4.7.3 A person shall cease to hold office if they are absent without the permission of the Chair from all the meetings held within a period of six months, or three consecutive meetings, whichever arises sooner.

- 4.7.4 A person shall be disqualified if their estate has been sequestrated and the sequestration has not been discharged, annulled or reduced; or they are the subject of a bankruptcy restrictions order or an interim order.
- 4.7.5 A person shall be disqualified from serving at any time when they are subject to a disqualification order or a disqualification undertaking under the Company Directors Disqualification Act 1986 or to an order made under section 429(2)(b) of the Insolvency Act 1986 (failure to pay under county court administration order).
- 4.7.6 A person shall cease to hold office if they would cease to be a director by virtue of any provision in the Companies Act 2006 or is disqualified from acting as a Trustee by virtue of sections 178 and 179 of the Charities Act 2011 (or any statutory re-enactment or modification of that provision).
- 4.7.7 A person shall be disqualified if they has been removed from the office of charity Trustee by an order made by the Charity Commission or the High Court on the grounds of any misconduct or mismanagement in the administration of the charity for which they were responsible or to which they were privy, or which their conduct contributed to or facilitated.
- 4.7.8 A person shall be disqualified at any time when they are included in the list kept by the Secretary of State under section 1 of the Protection of Children Act 1999; disqualified from working with children in accordance with Section 35 of the Criminal Justice and Court Services Act 2000 or barred from regulated activity relating to children (within the meaning of section 3(2) of the Safeguarding Vulnerable Groups Act 2006).
- 4.7.9 A person shall be disqualified where they have, at any time, been convicted of any criminal offence, excluding any that have been spent under the Rehabilitation of Offenders Act 1974 as amended, and excluding any offence for which the maximum sentence is a fine or a lesser sentence except where a person has been convicted of any offence which falls under section 178 of the Charities Act 2011.
- 4.7.10 A person shall be disqualified if they have not provided to the Chair a criminal records certificate at an enhanced disclosure level under section 113B of the Police Act 1997. In the event that the certificate discloses any information which would in the opinion of either the Chair or the Head confirm their unsuitability to work with children that person shall be disqualified. If a dispute arises as to whether a person shall be disqualified, a referral shall be made to the Secretary of State to determine the matter. The determination of the Secretary of State shall be final.
- 4.7.11 This clause shall also apply to any member of any committee or task group of the Local Governance Committee.

5 Delegated powers

5.1 General Provisions

- 5.1.1 Subject to provisions of the Companies Act 2006, the Articles and to any directions given by the Members of the Company following a special resolution, the management of the business of the schools shall be delegated by the Directors to the Local Governance Committee who may exercise all the powers of the Company in so far as they relate to the schools, in accordance with the terms of this Scheme of Delegation.
- 5.1.2 No alteration of the Articles and no such direction shall invalidate any prior act of the Local Governance Committee which would have been valid if that alteration had not been made or that direction had not been given. Except as provided for in this Scheme of Delegation, the powers given by this Scheme of Delegation shall not be limited by any special power given to the Directors by the Articles or to the Local Governance Committee by this Scheme of Delegation and a meeting of the Local Governance Committee at which a quorum is present may exercise all the powers so delegated.
- 5.1.3 In general terms, the responsibility of the Directors in so far as the business of the schools is concerned is to determine the policy and procedures and to consider and respond to strategic issues. Whilst the Directors are free to decide what constitutes a strategic issue, having regard to all the circumstances, unless a matter is identified as a strategic issue and/or is identified as being the responsibility of the Directors under this Scheme of Delegation, the responsibility for such matter will be that of the Local Governance Committee. It is recognised that some issues may not present as strategic in the first instance but may become so; any such changes will also be under the concern of the Directors, as determined by them at the time.
- 5.1.4 Except as provided for in this Scheme of Delegation, in addition to all powers hereby expressly conferred upon the Local Governance Committee and without detracting from the generality of the powers delegated, the Local Governance Committee shall have the following powers, namely:
- to expend certain funds of the Company as permitted in such manner as the Local Governance Committee shall consider most beneficial for the achievement of the Object in so far as it relates to the schools in pursuance of the business plan (budget) agreed by the Directors
 - to invest in the name of the Company such part of the funds of the Company for which it has responsibility pursuant to this Scheme of Delegation and the Griffin Schools Trust Financial Handbook

The Local Governance Committee acknowledges the support provided by the Directors and that certain costs will be incurred by them in undertaking their functions and meeting their responsibilities.

5.3.2 The services provided by the Directors on either an optional or a non-discretionary basis will be agreed with the Local Governance Committee. In light of this, the Local Governance Committee will be expected to meet a proportion of the costs incurred by the Directors, which shall be determined by the Directors on an annual basis, and which may be deducted by the Directors from any funds recovered by the Company.

- 5.4.2 The Local Governance Committee shall in conjunction with the Directors develop a five year estate management strategy that will identify the suitability of building and facilities in light of long term curriculum needs and the need for and availability of capital investment to meet the Local Governance Committees responsibility to ensure the buildings and facilities are maintained to a good standard.
- 5.4.3 The responsibility for any disposals or acquisitions of land will be that of the Directors.

APPENDIX 2: The Role of a Griffin Schools Trust Governor

The Griffin Schools Trust anticipates that a governor will need to allocate a minimum of 30 hours per academic year to their role, plus any committee attendance, as required. This will include attending key meetings, visiting the school and becoming an integral part of the governance of both the school and the Trust.

Within the role of governor, colleagues will be able to gain experience of the education sector, specific training in relation to compliance and monitoring, along with a detailed understanding of the schools and local community that Griffin Schools Trust serves.

The values of Griffin Schools Trust are Proud Traditions, Wide Horizons and High Achievement. The Trust will support all governors to fully embrace these values and ensure they form the key focus for all schools within the Trust.

The Griffin Schools Trust expects all colleagues, including governors, to adhere to the seven principles of public life, known as the Nolan Principles, due to the nature of our work within the public sector. These are:

- **Selflessness** Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.
- **Integrity** Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- **Objectivity** In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- **Accountability** Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
- **Openness** Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands it.
- **Honesty** Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.
- **Leadership** Holders of public office should promote and support these principles by leadership and example.

APPENDIX 3: Griffin Schools Trust School Improvement Boards

To be read in conjunction with the GST Scheme of Delegation.

A Local Governing Body is constituted when a school is located outside of a hub of GST schools and serves a single school.

A Local Governing Board serves a group of co-located schools.

In certain circumstances, where a school has recently joined the Trust or in a hub which has more than one new Head appointed in the same school, the Trust may constitute a School Improvement Board to replace the Local Governing Body or Board for a period of time in order to speed the school or school leaders' understanding of the GST mission and the key school improvement tools which lie at the heart of it.

No fewer than three and no more than five will serve on the School Improvement Board which will consist of GST officers, supplemented by local governors where appropriate. All local governors are invited to offer their continued services whilst the SIB is in place and the Chair will make the appointments in consultation with the Trust Chief Executive Officer according to the needs appropriately expanded to retain the skills and experience of local governors of the school or hub. The SIB will be chaired by a senior officer of the Trust.

The SIB fulfils the same functions as listed in Section 3 of the Guide to Local Governance and, in particular, holds the Head to account for

- their progress in fulfilling the school's stated vision within the overarching mission of GST
- their focus on the SDP and the accurate evaluation of meeting its milestones to time and quality
- the design and delivery of the curriculum and richness of extra-curricular opportunities
- the progress of pupils
- engagement with parents and other stakeholders
- their understanding and effective use of the key GST School Improvement Tools
- the effectiveness of safeguarding
- the quality of recruitment, staff professional development and rigour of performance management at all levels
- the use and impact of additional funding (eg SEND, Pupil Premium, PE and Sport Premium, year 7 and 8 catch up funding)
- financial planning and control, including compliance with the ESFA Handbook

This high level of scrutiny is achieved through

- regular visits to the school during the working day to work alongside senior staff, including modelling, monitoring and coaching as well as triangulating judgements with referenced to children's work and discussions with a cross-section of staff
- scrutiny of and detailed feedback on key documentation such as the Summary Self-Evaluation, notes from 1-1 meetings, SLT agendas and meeting notes and data sets
- reviews staffed by GST central team with an independent validator at least every 13-week cycle, delivered with the SLT to validate the accuracy of their self-evaluation and followed with a report focused on Next Steps
- a record of meeting minutes which reflect the level of challenge offered and the school's progress with a complex agenda

The Trust CEO will decide when the Local Governing Body or Board will be re-formed and the SIB disbanded.
